

2010 HIGHLIGHTS

Alaska's largest museum offers a combined appreciation of art, history and science that creates a deep understanding of its history and culture.

SMITHSONIAN ARCTIC STUDIES CENTER More than 600 Alaska artifacts will be on view including some of the Smithsonian Institution's oldest objects.

IMAGINARIUM DISCOVERY CENTER Start an earthquake, step inside a giant bubble and journey to the stars in the hands-on science galleries.

CHUGACH GALLERY Top floor gallery where visitors can enjoy vistas of the Chugach Mountains.

PREMIER TRAVELING EXHIBITS View blockbuster traveling exhibits from around the world in our state-of-the-art exhibit galleries.

ALASKA GALLERY Experience 10,000 years of Alaska history, from pre-contact to pipeline.

ART OF THE NORTH GALLERIES Enjoy a premier collection of contemporary and traditional Alaska Native art.
