TITLE: Mary Langdon Photographs

COLLECTION NUMBER: B2017.022

OVERVIEW OF THE COLLECTION

Dates: 1974-2005

Extent: 3 boxes; 0.8 linear feet

Language and Scripts: The collection is in English.

Name of creator(s): Mary Langdon, M.D.

Administrative/Biographical History:

Mary Langdon has lived in Alaska in two shifts. She first came to Alaska with her family pre-statehood in 1958. She left in 1975 after graduating high school to pursue medical education and subsequently practice in Colorado and New Zealand. She managed to avoid the pipeline boom of the 70's, the economic bust of the 80's, and the Exxon Valdez oil spill. She returned to Alaska in 2001. She enjoys exploring the vastness of Alaska with her husband.

Scope and Content Description:

The collection consists of 383 35mm color slides and 648 color strip negatives in various formats, taken by Mary Langdon during her time in Alaska. For more information, see Detailed Description of Collection.

Arrangement: Arranged by format and date
