**TITLE:** Tron Andersen Collection

**COLLECTION NUMBER:** B2014.013

**OVERVIEW OF THE COLLECTION**

Dates: 1889-1955 (bulk 1914-1916, 1945-1955)

Extent: 6 boxes; 4.5 linear feet

Language and Scripts: The collection is in English.

Name of creator(s): Tron Andersen, O.G. Herning, Steve McCutcheon, A. C. Riddick, Oliver P. Shaw, Thomas Langtree, H.W. Nagley

**Administrative/Biographical History:**

Tron G. Andersen (born Trond Roar Andersen) was born in Oslo, Norway in 1907 and moved to Portland, Oregon, with his family at the age of six. He was educated at Roosevelt High School and Whitman College. He moved with his wife and children to Spenard, Alaska, in July 1945, and worked for the U.S. Army as a warehouseman, storekeeper, and surveillance examiner. He also had a business selling lots. He was deeply involved in community life in Spenard, and was one of the organizers of the Spenard Social and Civic Club. He died in Portland, Oregon, in 1955.

During his time in Alaska, Tron became a member of the Cook Inlet Historical Society and began work on a manuscript of historical sketches on the settlements of Knik, Tyonek, Beluga, Ladd Station, Aurora, Dutton, Hope, and Sunrise. He also researched the early history of the mail service in Alaska. A copy of the 9-page memorial piece, "Tron Andersen: an appreciation," an offprint from *Spenard Life*, is available in the collection accession file.

H.W. Nagley (1875-1966) opened a store at Susitna Station in 1907, a store at McDougal in 1914, and a store in Talkeetna in 1920.

O.G. Herning (1868-1947) was manager of the Klondike and Boston Gold Mining Company, Expedition #4, and owner of the Knik Trading Company of Knik and Wasilla.

G.W. Palmer (1855-1930) built the first store in the Matanuska Valley prior to 1898. He owned a store at Knik from 1908-1918.

F.B. Cannon (1861-1923) was one of the first residents of Knik, and owned and operated the Pioneer Hotel there.

#### Scope and Content Description:

The collection consists of materials created or collected by Tron Andersen during the course of his research into the history of settlements in the Cook Inlet region of Alaska. It includes Andersen's personal papers, research notes, and manuscripts, as well as primary source materials that he collected, such as business records, correspondence, maps, and ephemera. There are 58 images in the collection (photographic prints, nitrate negatives, and black-and-white and color postcards), predominately taken by O.G. Herning. The bulk of the primary source material pertains to the businesses run by H.W. Nagley at Susitna, Knik, and McDougal.

Arrangement: Arranged by format into two series: 1. Photographic Materials. 2. Textual Materials. Textual Materials further arranged into: a. Andersen Papers and 2016 Addendum. b. Source Documents.

### **CONDITIONS GOVERNING ACCESS AND USE**

Restrictions on Access: The collection is open for research use.

Physical Access: Original items in fair to good condition. Some of the ledgers are in fair to poor condition. Access to nitrate negatives is limited.

Technical Access: No special equipment is needed to access the materials.

#### Conditions Governing Reproduction and Use:

The Anchorage Museum is the owner of the materials and makes available reproductions for research, publication, and other uses. Written permission must be obtained from the Anchorage Museum before any reproduction use. The Anchorage Museum does not necessarily hold copyright to all of the materials in the collections. In some cases, permission for use may require seeking additional authorization from the copyright owners.

#### Preferred Citation:
