McBride B71.26

Scope and Contents

The McBride collection consists of photographs of the Dalton Trail. Subjects in the collection include Jack Dalton, pack oxen, Old Henry's cabin, Lake Dezedeah, Pleasant camp police quarters, Ptarmigan, Pennocks post, and unidentified men. Henry Banks is the photographer of the collection. The original photographs are located in the Museum McBride collection. Please see photo list for specific photograph information. The collection is housed in the Dalton Trail photo file.

Donated. Alaska Hotel Properties. c/o Herb Hilscher. 2003 SLL
