Lemmon

Photographs of U.S. Army living quarters, missile launches, and other Army scenes.

Donated. Lemmon, General Kelley B. U.S. Army.

12 Photos.

Lemmon B69.7

Scope and Contents

The Lemmon collection consists of Army scene photographs. Subjects in the collection include the "Flying Tigers" at Fort Glenn, the First Japanese defenses to fall at Attu, Chilkoot Barracks, Fort William H. Seward, the Nike-Hercules missile "Adolph" (to achieve longest successful flight on record) and "Pilgrim" (from Site Summit), Co. B. 21st Infantry, Muster of Company L, 7th Infantry, Fort Egbert (Eagle), and P-38's on Aleutian Islands. The photographs were taken by the U.S. Army. The collection is located in photo oversize. Please see photo list for specific photograph information.
