Fowler B70.35

Scope and Contents

The Fowler collection consists of photographs of various Alaska scenes. Subjects in the collection include the dogs "Klondyke" and "Nanuk", Skagway, Caribou swimming the Yukon, Sheep camp, East Cape in Siberia, Eskimos, a Taltans Tribe Medicine Man, Juneau, Gold bars, St. Michael's Cathedral, Bennett Lake, Chilkoot Pass, Treadwell mine, and Skiing at Mount Alyeska. Also in the collection are two poems, one entitled "Rain" the other "Hell". With the collection also came a book of Audubon bird paintings. Photographers of the collection include Dedman, Adams and Larkin, Cann, Winter and Pond, and F.H. Nowell. The photographs are housed in the photo file collection. Please see item list for specific item information.
