39 Postcards.

## **B71.x.5**

### **Scope and Contents**

The collection consists of photographs primarily of Chitina, Copper River, Kennicott, Sundogs, and the Native Alaskan People, Athapaskans. Individual photographs include Cordova, Chitina, Copper River, Doc Billum's ferry on Copper River, Escaldita's home, a native man operating a fish wheel, a native woman cleaning fish to dry, a mammoth skull, tusk and bones, a mirage of a ship on the lake at Taku Glacier, Mount McKinley, Mt. Wrangell in eruption, Nabesna Mine, Kennicott Mine, Princess Sophia ten hours after striking Vanderbilt Reef, sundogs at Kennicott, men digging up razor back clams, and Woods Canyon. Photographers in the collection include Winter and Pond, Photocraft, Cann Studio, E. A. Hegg, Robinson, Schallerer, and Johnston. The collection is housed in the photo file collection. Please see photo list for specific photograph information.

Donated. 2003 SLL

39 Postcards.

## B71.x.5
