AHFAM McDade B72.41

Scope and Contents

The McDade collection consists of photographs of the construction of the Glenn Highway and Richardson Highway, as well as several Valdez scenes and a photograph of the "Opera House" Saloon at Copper Center. The photographs of the Glenn Highway and Richardson Highway consist of the construction crew both posing and working, machinery, and scenes of the Highways. Valdez scenes include downtown, Valdez Glacier, Keystone Avenue, and a roadhouse. Photographers of the collection include P. (Phineas?) S. Hunt and McDade. The collection is housed in the photo file collection. Please see photo list for specific photograph information.
