Guide prepared by: Sara Piasecki, Archivist

TITLE: Truman Markegard Collection

COLLECTION NUMBER: B2016.016

OVERVIEW OF THE COLLECTION

Dates: 1942-1943

Extent: 1 box; 1 linear foot

Language and Scripts: The collection is in English.

Name of creator(s): Truman Markegard

Administrative/Biographical History:
Truman Markegard (born December 1912) worked on the Alaska Highway for about seven months in 1943. He was stationed at construction camp 16E, where he was in charge of equipment and supplies.

Scope and Content Description:
The collection consists of two photograph albums containing 103 black-and-white snapshots of scenes from the construction of the Alaska Highway, as well as one loose snapshot and eight loose postcards. There are also two empty photo album covers and one telegram. For more information, see Detailed Description of Collection.

Arrangement: Not applicable

CONDITIONS GOVERNING ACCESS AND USE

Restrictions on Access: The collection is open for research use.
Physical Access: Original items in fair to good condition.

Technical Access: No special equipment is needed to access the materials.

Conditions Governing Reproduction and Use:
The Anchorage Museum is the owner of the materials and makes available reproductions for research, publication, and other uses. Written permission must be obtained from the Anchorage Museum before any reproduction use. The Anchorage Museum does not necessarily hold copyright to all of the materials in the collections. In some cases, permission for use may require seeking additional authorization from the copyright owners.

Preferred Citation:
Truman Markegard Collection, Anchorage Museum, B2016.016

**ADMINISTRATIVE INFORMATION**

Acquisition and Appraisal Information
Donated by daughter Marlys Johnson in July 2016.
